Stewards of the Environment™

Help Aquarion Water Company Find Connecticut's Environmental Champions

The 9th Annual Aquarion Environmental Champion Awards

As New England's largest investor-owned water utility, Aquarion carefully protects the natural resources of more than 20,000 acres of land surrounding our Connecticut water sources. This gives us a special appreciation for the thousands of volunteers who tirelessly work to protect and improve the health of natural resources throughout the state.

Now we invite you to help honor those volunteers by sending us your nominations for the Aquarion Environmental Champion Awards. Awards will again go to outstanding volunteers for their projects that have improved and protected Connecticut's air, water, soils, or plant and wildlife habitats. This year, we've added a new award for excellence in Connecticut-focused environmental communication.

Award Categories

Aquarion will honor winners in the ***adult, student, small*** and ***large business, non-profit organization***, and ***communications*** (Traditional and digital media) categories. Winners will be honored at a special event at Connecticut's Beardsley Zoo on June 1, 2019.

So nominate someone today (self-nominations and re-nominations are welcome). And help Aquarion put even more green into Connecticut's best environmental efforts.

Nomination deadline: May 1, 2019
