

## **Park and Recreation Covid-19 Program Protocols**

### General protocols for all Park and Recreation programs

- No one is permitted to come to a class if they are experiencing signs of illness.
- Anyone demonstrating signs of illness will be sent home.
- The Redding Park and Rec reserves the right to refuse entry to anyone showing signs of COVID-19
- Park and Rec reserves the right to have limited group sizes to meet distancing requirements

### Reporting procedure

All notifications from staff and program participants with a positive Covid test must be reported immediately to the Park and Recreation Department who will then report the information to the Town of Redding Health Department. Redding P&R will follow the most recent protocols and guidelines provided to us from the Health Department when informing participants and staff.
