Dear Concert on the Green Contributor,

Thanks to your donations, Redding's **Concert on the Green** series has become a wonderful summer event, bringing residents together for well over 37 years. The Parks and Recreation Department has again booked some exceptional talent this year, including a record 7 new bands who have never played the Green before to continue this wonderful summer tradition. The dates for this year's series are from June 21 through August 30

While many of our large donations come from business sponsors, this year we are once again looking to our residents for additional financial support. These concerts are occasions that you can personally share with your family, neighbors and friends. Please help by making sure you and your friends contribute to this great community event.

Please consider increasing your level of donation this year if you can. To help, please fill out the enclosed form. Mail it, fax it or drop it off to the Park and Recreation office ASAP but no later than May 28 if you want your name listed in our concert program.

If you would like more information about the benefits of Concert on the Green Sponsorship, or info on our other music series, please feel free to contact me at the phone number or e-mail below. The benefits are also listed below.

Thank you in advance for helping to make the Redding **Concert on the Green** series a success and continuing this tremendous community tradition.  
Sincerely,

Robert Blick - Redding Park and Recreation Director
